EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Edward Ellis on April 12, 2005.

The application has been amended as follows:

--23. (Currently Amended) A method for assisting a consumer in selecting a coordinating outfit formed of first and second articles of clothing, the method comprising the steps of:

providing a retail display accessory;

associating the retail display accessory with the first article of clothing that has a predominant color;

representing the predominant color by printing a swash of color in a first [one] section of a front face of the retail display accessory to permit easy identification of which first article of clothing is intended for use with the retail display accessory [and permit the colors in the second indicia to be selected specifically in view of the color of the printed swash]; and

printing [listing] a plurality of color indicators in a second section of the front face of the retail display accessory, the plurality of color indicators identifying colors for the second article of clothing that are complementary to the predominant color of the first article of clothing, wherein the swash of color in the first section of the front face of the
